Schwerin, 15 June 2015

Dear President-elected Vējonis,

On behalf of the members of the Baltic Sea Parliamentary Conference (BSPC) as well as of the State's Parliament of Mecklenburg-Vorpommern and from me personally, I want to warmly congratulate you for both - your election as President of the Republic of Latvia and your birthday on 15<sup>th</sup> June. I wish you all the best and success for the upcoming term and all its duties and challenges for the benefit of the citizens of your state.

I am especially delighted that a former and well-earned member of the Baltic Sea Parliamentary Conference, from 2012 to 2014 member of the Standing Committee and until 2014 chairman of the Working Group "Innovation in Social and Healthcare" has won the presidential elections of his state. I know that you are a strong advocate for the transnational cooperation in the Baltic Sea Region. Therefore, I hope that - also in your new important function - you will continue to support the work of the BSPC. You are always most welcome to join our events. In this respect, it is a particularly happy circumstance that in September 2015 the Latvian Parliament will take over the Chairmanship of the BSPC.

I am definitely looking forward to your entering into office on 8<sup>th</sup> July 2015.

Yours sincerely

Sylvia Bretschneider  
Chairman of the BSPC
